

The Yun Family's Ninth Child is an Imp! Chapter 972

Feng Ming and the other two had been holding back for a long time. They beat the three people until they begged for mercy. They really could not understand what had happened. They were all at the third level of the Spirit sect. How could they not be able to beat those three trash who were only at the first level of the spirit sect?!

“Here, it was agreed that I would give you some as pity. Keep it well. Otherwise, you’ll get zero points!” Yun Chujiu picked the smallest Violet Brocade Grass and threw it on the ground. Then, she led Feng Ming and the other two away.

The four of them wanted to cry, but they had no tears. The robbers had become the robbed instead!

Yun Chujiu mumbled as she walked, “It’s still faster to rob others after all! Now, we have more than fifty Violet Brocade Grass! It’s a pity that there aren’t many weak groups like them. We can barely deal with the third level of the Spirit sect. If they were all at the fourth level of the Spirit sect, we wouldn’t be able to defeat them.”

Feng Ming and the other two were still drunk from their joy of success. They had not expected that they would be able to challenge a cultivator at a higher level than them and even defeat them. They were not that useless after all!

Yun Chujiu’s words immediately made them sober up. Only a small number of people who came to participate in the test were at the third layer of the spirit sect. Most of them were at the fourth layer of the spirit sect or above, and even those were still the weakest of the entire bunch.

“Junior Sister Little Jiu, then what should we do next?”

“We’ll find somewhere with fewer people around. Perhaps we’ll be able to get some unexpected gains.” Since they could not compete with others, they could only find other ways to get ahead.

Just as the four of them were about to leave, they heard someone say arrogantly, “Stinky girl, stop right there!”

Yun Chujiu raised her head and looked in the direction of the voice. It was a narrow road between several enemies. The person who spoke was Yin Xuecheng. The other three people’s spiritual power level should be higher than the previous group they encountered. She could not tell if they were at the fourth or fifth level of the spirit sect.

“Stinky girl, hand over the Violet Brocade Grass in your storage bag, then kowtow to me and admit your guilt. I will be merciful and spare you. Otherwise, I will deal with you right here.” Yin Xuecheng’s eyes revealed a perverted light, previously, he had restrained himself a little at the academy’s entrance, but now he had completely exposed his true nature.

Yun Chujiu estimated the strength of both sides. Although her side was slightly weaker, she had caught them off guard, so she should still have a chance of winning. Therefore, Yun Chujiu’s hand behind her back made a hand gesture, and Feng Ming and the other two understood, they quietly began to move behind the four people.

Yun Chujiu’s face revealed an extremely angry expression. “Yin Xuecheng! You’re shameless! What right do you have to rob us of our Violet Brocade Grass?”

“Cheh! What are you pretending for? Didn’t you get your Violet Brocade Grass through robbery as well? Hurry up and hand it over, or I will use force! You’re so delicate and tender. If you get hurt, it won’t be as good!” Yin Xuecheng laughed with malicious intent.

The other three also laughed. From their point of view, although Yun Chujiu had dodged more than a dozen attacks from Yin Sulian, that did not mean anything. Yin Sulian’s spiritual power was enhanced by eating pills, so it made her look more powerful but in reality, she was useless.

They were different, not to mention the other three with Yun Chujiu were seen as trash. When the time came, they could take down this little girl in a two-on-one fight.

Yun Chujiu suddenly smiled and said to Yin Xuecheng, "Alright, a wise man submits to uncontrollable circumstances. Come here, I'll give you the storage bag."

Yin Xuecheng was instantly dazzled by Yun Chujiu's smile, he smiled lewdly and said, "That's right! You should comply with me. I won't mistreat you. I'll buy you a house in Vigour City. From now on, you can live there peacefully. When I'm on my break, I can accompany you...."
