

The Yun Family's Ninth Child is an Imp! Chapter 973

Just as Yin Xuecheng's words left his mouth, Yun Chujiu raised her right hand and a purple lightning bolt suddenly flew toward Yin Xuecheng. At that moment, Yin Xuecheng's mind was filled with all kinds of confusing thoughts. Who would have thought that Yun Chujiu would make a move!

Previously, the four people only told Yin Xuecheng that they had been robbed. They did not tell him that Yun Chujiu had a special spirit root. They also had their schemes and deliberately let the two groups of people fight.

Yin Xuecheng was struck by Yun Chujiu's lightning. His hair immediately burned and he let out a pig-like squeal. At the same time, Feng Ming and the other two also attacked the other three people.

Yun Chujiu knew that Feng Ming and the other two were no match for their opponents, so she had to finish off Yin Xuecheng quickly.

Yin Xuecheng was putting the flame on his hair with his hand when Yun Chujiu struck at him again with several lightning bolts. He kept desperately dodging. "Stupid girl, how dare you hurt me? I will not forgive you! I will sell you to Yicui Tower, where a thousand men wil-"

Yun Chujiu kicked him to the ground and hit the back of his neck. After transferring the Violet Brocade Grass in his storage bag to hers, a faint light flashed in her eyes and she hit a few acupuncture points on his body, 'Hmph, how dare you have such thoughts of me, you'll never be a man for the rest of your life!'

After Yun Chujiu finished dealing with Yin Xuecheng, she joined Feng Ming and the others in the battle. The three of them already had the upper hand, but Feng Ming and the other two were tenacious and refused to retreat. Even if they wanted to help Yin Xuecheng, they could not as they watched helplessly as Yun Chujiu transferred the Violet Brocade Grass into her storage bag.

Once Yun Chujiu joined in, the situation immediately changed. The main reason was that Yun Chujiu's lightning was too strange. She did not need to form seals and there was no interval between her

throwing lightning bolts. Other people needed to pause between attacks but she did not, which gave her a great advantage.

When the three saw that Yin Xuecheng was lay on the ground like a dead pig and their Violet Brocade Grass had been snatched, they immediately lost their fighting spirit. They shouted, "We admit defeat, we admit defeat. Since you guys have taken the Violet Brocade Grass, spare us!"

Yun Chujiu did not want to tangle with them any longer. She waved her hand and said, "Let's go!"

The three men saw that Yun Chujiu and the others had left, so they went forward to wake up Yin Xuecheng. Yin Xuecheng was only knocked unconscious by Yun Chujiu, and he woke up shortly after. He was so angry that he gritted his teeth and said, "Let's go find Sulian and urge her to help us take revenge!"

"But our Violet Brocade Grass has been taken by Yun Chujiu and the others. What if we are eliminated by then?"

"Humph! Let's go rob another group! We'll ally with Yin Sulian. She'll give us something no matter what. It'll be enough for us to advance." Although Yin Xuecheng was lustful, his intelligence was much higher than Yin Sulian's.

Therefore, the four of them got up and went to look for Yin Sulian.

Coincidentally, Yin Sulian was active in this area. Soon, the two groups of people met.

"Sister Sulian, you have to help me make a decision!" Yin Xuecheng's nose was full of snot and tears as he complained.

Yin Sulian stepped back in disgust. "Cousin, where's your hair?"

“It was that Yun Chujiu! That wretched girl has a Heavenly Thunder Root Spirit. No wonder the Palace Mistress took her seriously! She deliberately burnt off my hair, saying that she wanted to teach you a lesson. She also said that your Heavenly Thunderbolt Sword can’t be compared to her Heavenly Thunder Root Spirit. It’s just a piece of trash!” Yin Xuecheng added some embellishments to the story, he knew his cousin the best. She did not like anyone stronger than her. She would definitely go and find trouble with Yun Chujiu.
