

The Yun Family's Ninth Child is an Imp! Chapter 974

As expected, when Yin Sulian heard that Yun Chujiu had a Heavenly Thunder Root Spirit, she was instantly filled with jealousy and hatred. It was said that the cultivation speed of one with a Heavenly Spirit Root was extremely fast. If she allowed that b*tch to advance, she would be able to suppress her own growth! She had to get rid of that b*tch! No one in this Secret Realm could stop her. It was just the right time to kill her!

“Cousin, how dare she bully you again and again. This is outrageous. You lead the way, and I’ll help you take revenge.”

“Thank you, Sister Sulian. I knew you were the pride of our Yin family. You’re really generous. Besides, Yun Chujiu has taken all of our Violet Brocade Grass. Can you help me get some? Otherwise, we’ll be eliminated!” Yin Xuecheng said while licking his face.

Yin Sulian pursed her lips. “After I kill her, won’t the Violet Brocade Grass in her storage bag be yours?”

Yin Xuecheng slapped his thigh and said fawningly, “Yes! Yes! You’re right!”

Yun Chujiu, who was hated by both of them, was now the prime target!

...

“Sure enough, it’s better to rob others after all. We now have over 200 Violet Brocade Grass. It seems that this Yin Xuecheng has robbed many people. Why don’t we go and find more victims?”

The corners of Feng Ming and the other two’s eyes twitched. That time, they had only won by sheer luck. If Yin Xuecheng attacked again, they would not be so lucky.

Just as the four of them chatted and laughed, they heard Yin Xuecheng's arrogant shout from afar. "Yun Chujiu! Your time of death has come!"

Yun Chujiu turned her head and decisively made a decision. "Run!"

Yun Chujiu thought to herself, 'It would be difficult for us to fight one-on-one, let alone one-on-two. Escape was also a viable strategy in situations like this!'

Yun Chujiu and the other three ran while Yin Sulian and the other three chased after them. Yin Xuecheng cursed as he chased after them, "Damn girl! Do you think you'll escape after stealing my Violet Brocade Grass? I'll kill you!"

Yun Chujiu could not be bothered with him and ran forward with all her might!

Yun Chujiu had a lot of pillaged Violet Brocade Grass in her storage bag. It was enough for them to enter the second round, so Yin Sulian chased after them relentlessly. This was a great opportunity to kill Yun Chujiu, and she could not let it go to waste.

Yun Chujiu and the other three ran all the way. Suddenly, a stone tablet appeared in front of them. There were two bright red words written on it: 'Forbidden area.'

Yun Chujiu and the other three had no choice but to stop. Before they entered the Secret Realm, the teacher had especially emphasized that this forbidden area was extremely dangerous, and they must not step into it.

At that time, Yin Sulian and the others had also caught up. Yin Xuecheng sneered and said, "Run! Run! I want to see where you will run to this time! Hand over the Violet Brocade Grass, and then kneel and kowtow to me! Otherwise, I will kill all of you!"

Yun Chujiu glanced at Yin Sulian. “Yin Sulian, you’ve learned from your mistakes. You were instigated by Yin Xuecheng last time. Are you going to be used as a tool again?”

Yin Sulian summoned the Heavenly Thunderbolt Sword, she sneered. “Yun Chujiu, don’t try to sow discord between us with your lies. You’ve made me suffer a loss. I won’t let you off today. I heard that you have a Heavenly Thunder Root Spirit. Let’s see whether your Heavenly Thunder Root Spirit or my Heavenly Thunderbolt Sword is stronger!”

After saying that, Yin Sulian’s Heavenly Thunderbolt Sword flew up and conjured a bolt of lightning toward Yun Chujiu!

Yun Chujiu dodged and then waved her hand, and a purple lightning bolt struck at Yin Sulian.

Yin Sulian was shocked when she saw the purple lightning. Seeing it in person was different from hearing others talk about it. Seeing Yun Chujiu’s abnormal spiritual power attack with her own eyes made her even more jealous. She could not let Yun Chujiu live, otherwise, she would become a thorn in her side sooner or later.
