

The Yun Family's Ninth Child is an Imp! Chapter 975

Yin Sulian could not multitask. While commanding the Heavenly Thunderbolt Sword, she could not use wind blades at the same time, so it was not difficult for Yun Chujiu to deal with her.

What further upset Yin Sulian was that the Heavenly Thunderbolt Sword's lightning was much slower than normal. It seemed to be a little afraid of Yun Chujiu.

She put away the Heavenly Thunderbolt Sword and used wind blades to attack Yun Chujiu.

Yun Chujiu had already tested her strength before, so she was not afraid of her at all. She was angry at the same time.

"Yin Sulian, you idiot! How can you be so blind to who's the real enemy? I think it won't be long before the head of the Yin family changes!"

"Fifth level of the Spirit Sect? What a joke! Your weak spiritual power is almost the same as my first level of the Spirit sect!"

"Yin Sulian, be careful or your sister will tell on you! In my opinion, compared to your sister, you are not just a little bit inferior. One is an angel, the other is a demon. One is a genius, and the other is a fool. hahaha!"

Yin Sulian was almost driven mad with anger. Ever since she was young, she had been used to further accentuate Yin Xinlian's excellence. When Yun Chujiu said that, how could she take it anymore? She attacked Yun Chujiu like crazy.

Yun Chujiu wanted to anger her so that she could take the opportunity to find her weakness. As expected, as Yin Sulian grew more furious, she became more reckless. Yun Chujiu saw the opportunity and struck Yin Sulian's left arm with a bolt of lightning.

Yin Sulian screamed in pain and shouted in exasperation, "What are you all standing there for? Let's attack together and kill them. I will bear the consequences!"

When the others heard that, they began to attack Yun Chujiu and the other three.

Yun Chujiu was still able to handle her opponent with ease, but Feng Ming and the other two were having a lot of trouble. They could not even fight one on one, let alone one on two. Yun Chujiu was about to summon five immortal swords to finish off the two people in front of her when she heard Feng Ming cry out in alarm.

Yun Chujiu looked out of the corner of her eye and saw that Feng Ming had disappeared. Yin Xuecheng laughed out loud, "That trash actually retreated into the forbidden area by accident. He's dead for sure! hahaha!"

It turned out that during the fight, Feng Ming was repeatedly forced to retreat. He stepped into the forbidden area without paying attention.

Geng Yi and Shi Xuan looked at Yun Chujiu anxiously. Yun Chujiu gritted her teeth. "Let's enter the forbidden area together and save senior brother Feng Ming."

Yin Xuecheng laughed so hard that tears were about to come out. "Stinky girl, do you think that the forbidden area is an inn or a restaurant? You still want to save him? If you go in, you'll die in there too."

Yin Sulian did not speak. She wished that Yun Chujiu would take the initiative to enter the forbidden area. If that was the case, she would definitely die in there. It was exactly what she wanted.

Yun Chujiu ignored them and brought Shi Xuan and Geng Yi into the forbidden area.

Almost at the same time, on the display screen outside Tianyuan Academy, the words "Group 250" turned gray.

Immediately, someone noticed that, and immediately, a commotion broke out.

"Heavens, how did that group 250 turn gray? Could it be that all four of them are dead?"

"That can't be. The level of the demon beasts in the Secret Realm isn't that high. Moreover, even if they were to encounter danger, they could still send their spiritual sense into the jade token, and they would be teleported out. No one has ever died in any of the tests. How would they?"

"I guess those four people really are useless. They forgot that they could use the jade plate to escape. This is the consequence of overestimating themselves. These four useless people from the Azure Mystic Continent couldn't enter the Tianyuan Academy after all.."
