

The Yun Family's Ninth Child is an Imp! Chapter 979

The Nightmare Beast's screams and the smell of burnt fur filled the cave.

"Stop it, or I'll kill the three of them!" The Nightmare Beast regretted being so rude just now.

"Cheh! Who do you think you're threatening?! Wake them up first, or I'll cut you into pieces and make you run around naked! You like to pry into other people's privacy? I'll turn you completely naked today!"

The Nightmare Beast did not expect that Yun Chujiu would not be afraid of him. It began to form seals and invaded her spiritual sense, wanting to make Yun Chujiu fall into a dream as well.

Unfortunately, even after using all its strength, it did not succeed. Instead, it was beaten up by the many weapon spirits in Yun Chujiu's spiritual sense!

There was also a small version of the stinky girl who struck it repeatedly with the heavenly lightning. The Nightmare Beast sadly withdrew from Yun Chujiu's spiritual sense. It knew that it would most likely meet its end today!

Yun Chujiu struck Nightmare Beast repeatedly. After a short while, the Nightmare Beast admitted defeat. Although it was not afraid of being hacked by knives and axes, the Heavenly Lightning was unbearable for the Nightmare Beast. Moreover, its fur was almost completely burnt off. It was too embarrassing!

"Smelly girl! Stop! I'll wake them up!" Nightmare Beast cried out in pain.

Hearing the Nightmare Beast's words, Yun Chujiu stopped her assault. "Why didn't you do this earlier?! Why did you have to let me strike you repeatedly before admitting defeat? You asked for a beating!"

The Nightmare Beast's heart was on the verge of collapse. It thought back to the time when it was a ferocious beast that shook the entire Tianyuan Continent. No matter how powerful those cultivators were, they could not do anything to it. It only needed to use a little trick to make them fall into a dream. Even if they used a formation to trap it later, they could not harm it. Who would have thought that it would encounter such a little monster? It was a Heavenly Thunder Root Spirit! It was strange. The Heavenly Thunder Root Spirit users should have been wiped out by Tian Dao long ago. Why would they let her run around here?

"What are you thinking about? You're not weaving a dream for yourself, are you? Quickly wake her up, or I'll continue to strike you!" Yun Chujiu said fiercely.

Only then did the nightmare beast come back to its senses. It retracted the nightmares that had entered the divine senses of Feng Ming and the other two. Only then did the three slowly wake up.

The three of them opened their eyes and discovered that they were outside a cave. For a moment, they were a little dumbfounded. It was not until they heard Yun Chujiu's voice from inside the cave that the three of them ran into the cave. When they saw Nightmare Beast, they were shocked. What kind of monster was this? It had four vertical slitted pupils yet the fur on its body was curled up like a poodle with curly fur!

How could they have known that its fur was originally straight? They had been turned curly by Yun Chujiu's lightning strikes.

The three of them did not dare to ask any more questions. They stood beside Yun Chujiu and looked at Nightmare Beast.

"Hmph! Three little weaklings, I'll let you off today for the sake of the little girl!" The Nightmare Beast decided to try and maintain its reputation as a fierce beast in front of Feng Ming and the other two.

"Cut the crap. How do we get out of here?" said Yun Chujiu fiercely. She was never used to showoffs regardless of what they were.

Nightmare Beast immediately became timid and said in a flattering manner, "I'll send you out. However, don't mention what happened here when you get out. I really can't afford to let others see me like this."

"Don't worry. This is a forbidden area. It was not right for us to come in here in the first place. Of course, we won't say anything about you either." Yun Chujiu curled her lips. No one else could groom such a good-looking beast!

The four eyes of the Nightmare Beast blinked and said shyly, "Little girl, I can see that your bones are clear and strange, and your roots are excellent..."

Yun Chujiu curled her lips. "Speak plainly!"
