

The Yun Family's Ninth Child is an Imp! Chapter 982

Yin Sulian was in the eighteenth group. She had thought that they would definitely win first place because of her group members. Even though her spiritual power was the lowest in her group, the other three were all at the sixth level of the Spirit sect. Among all the examinees, they should have been the strongest group.

What she had never expected was that there was a group that was ranked ahead of theirs, and it was that trash group!

This was impossible! Those four trash should have died long ago after entering the forbidden area. Why did they not die, but instead, they ended up ranked ahead of them? That was impossible!

Right at that moment, Yun Chujiu and the rest were also teleported out.

Yin Sulian immediately walked in front of Yun Chujiu. "Yun Chujiu, you cheated!"

Yin Sulian's words immediately caused a commotion, and everyone's gaze was focused on her.

Yun Chujiu glanced at Yin Sulian and laughed lightly, "Cheating? Why do you say so? Are you questioning the fairness of the Tianyuan Academy's assessment? If you think that I cheated, just go ahead and report it to the teacher. Don't cause a commotion here!"

"You! Just you wait! I'll go and report it to the teacher right now! You must be cheating. How can you have more Violet Brocade Grass than us? This is impossible!" Yin Sulian said angrily.

"Oh! So it's because we have more than you that you think we are cheating? Are you the only one who can get first place? I'm sorry. I didn't know there was such a rule. If you had told me earlier, I would have picked less. After all, Your Yin family is so powerful. I'm soooo afraid of offending you!" Yun Chujiu said exaggeratedly.

Yin Sulian was so angry that her face turned red. “Yun Chujiu, you’re spouting nonsense! How could four trash from the Azure Mystic Continent find so much Violet Brocade Grass? You must have used some underhanded means!”

“Yin Sulian, don’t spout lies you cannot prove. It’s fine if you have evidence, but if you’re just jealous of me, you’re just being petty. It’s despicable to slander others like that!” Yun Chujiu said with a sneer.

“You! The four of you were forced into the forbidden area by us. How could you possibly pick so many Violet Brocade Grasses?” Yin Sulian was forced to speak the truth by Yun Chujiu’s aggressive tone.

The faces of the three people in her group instantly turned pale. That idiot. Although Tianyuan Academy did not explicitly prohibit examinees from robbing, it was still frowned upon. Moreover, they knew that there was a forbidden area, yet they still forced people into it! Was that not looking for trouble?!

Yin Sulian also regretted it after she realized what she had just shot herself in the foot. However, since it was already out in the open, there was no room for her to go back on her words. Although we were in the wrong, the crime of Yun Chujiu and the other three people entering the forbidden area privately was even more serious. Moreover, they might be able to prove that the Violet Brocade Grass had been obtained through underhanded means.

“Yin Sulian, is what you said true? Yun Chujiu and the other three people entered the forbidden area?” The teacher who was in charge of the test walked over.

“That’s right, I saw the four of them enter the forbidden area with my own eyes. Teacher, they must have cheated!” Yin Sulian said angrily.

When Yin Xinlian, who had just rushed over, heard Yin Sulian’s words, she was so angry that her head hurt. ‘You idiot! There were a hundred ways to kill this Yun Chujiu, but you just had to use the stupidest method. You are so stupid that there was no cure!’

Yin Xinlian regretted not rushing over earlier. When she heard that Di Beiming was coming over, she meticulously groomed herself, so she was a little late. She did not expect Yin Sulian to use such a dirty trick during the assessment.
