

The Yun Family's Ninth Child is an Imp! Chapter 983

"Yun Chujiu, did the four of you really enter the Forbidden Area?" The teacher stared at Yun Chujiu and asked. Trespassing into the forbidden area was no small matter, so they had to question her as well.

Yun Chujiu had a few thoughts in her mind, but she still admitted it. "Yes, one of our team members accidentally stepped into the forbidden area when they were robbed by Yin Sulian and Yin Xuecheng. To save our companion, the three of us also followed them into the forbidden area."

The teacher carefully sized up Yun Chujiu. This little girl was quite sharp-tongued. Her few sentences not only explained the process clearly but also showed that they had entered by mistake. Moreover, they were forced in by Yin Sulian and Yin Xuecheng.

"In that case, what did you see in the forbidden area? And how did you get out?" The teacher stared at Yun Chujiu's expression.

"The inside of the forbidden area is just a valley. It's no different from the one outside. It's just that there was not a single demonic beast in there. After we entered, we felt very tired so we slept for two days and two nights, then we came out inexplicably!" Yun Chujiu's face revealed a puzzled expression at the right time.

Feng Ming and the other two were also veterans of acting. They did not learn anything else from Yun Chujiu, but their ability to lie and act grew. The expressions on their faces were the same as Yun Chujiu's. They also looked equally puzzled and confused.

"Alright, let's put this matter aside for now. You will enter the second round of the test three days later as usual." The instructor did not know what exactly happened in the forbidden area. When he heard Yun Chujiu and the other three's report, he was not sure for a moment, so he decided to report it to the higher-ups of the academy.

Yin Sulian still wanted to say something, but when Yin Xinlian pulled her arm, she decided to just keep quiet.

Yun Chujiu jumped in front of Shopkeeper Qi and giggled. “Shopkeeper Qi, are you here to support us? How was it? Our performance was not bad, right?!”

After that incident, Shopkeeper Qi felt that this little girl seemed to be really carefree despite the situation she was just in. Perhaps she really had some special ability. It was better for him to be polite, thus, he said respectfully, “Miss Jiu, your talent is indeed amazing. Congratulations on entering the second round of the test with the first-place result.”

Just as Yun Chujiu was about to pretend to be humble, she saw a flying spiritual device flying over from afar. That flying spiritual device looked very familiar.

‘Damn, wasn’t that the Pretty Boy’s flying spiritual device?’

‘Didn’t I tell him that I wanted to hide our relationship for the time being? Did he come to visit me because he couldn’t bear the pain of longing for me? Sigh, I am too charming. There is no other way. The pretty boy couldn’t leave keep his hands off me...’

Just as she daydreamed about herself, she heard the people in the square explode from excitement. Regardless of gender or age, they were all equally delighted!

“Oh my God! It’s His Excellency’s Flying Spirit Tool! It must be His Excellency!”

“I’m going to see His Excellency soon. I’m so happy that I’m going to faint!”

“Get lost! You’re a man, why would you faint?! If anyone will faint, it’s us girls! Your Excellency, I miss you so much!”

“If His Excellency can smile at me, even if I die today, I will be happy!”

“Sigh! We can only take a few glances from afar. His Excellency does not allow others to get within three feet of him.”

“Don’t even think about it. His Excellency’s fiancée is one of the Three Beauties of Tianyuan Academy. Others definitely won’t have a chance.”

...

Yun Chujiu instantly exploded in anger! F*ck! She did not expect the Pretty Boy to be so popular. There were even men who coveted him. She had too many rivals in love!
