

## The Yun Family's Ninth Child is an Imp! Chapter 984

“Look, Qin Mingzhu and Baili Yan are here as well. Together with Yin Xinlian, there’s bound to be fireworks! These three people don’t see eye to eye with each other. They will soon fall out over who gets to be His Excellency’s fiancée.”

“Sigh, some people will die from overeating while others will starve to death! Many girls like such an outstanding person like you, Your Excellency. There isn’t anyone left for the rest of us!”

“Forget it! How can you compare to Your Excellency? Whether it’s your family background, appearance, or spiritual power, how can you be compared to His Excellency?!”

...

Yun Chujiu overheard that what the others were saying, ‘Three Beauties of Tianyuan Academy? Beauties? Humph! You guys are destined to not be able to compete with me. I have already stamped and certified my ownership of the Gigolo. None of you have a chance.’

If she was not too weak now, she would have announced to the world that the Pretty Boy was hers no matter what. All of you, f\*ck off!

However, now that she was the daughter of the Palace Mistress’s old friend, she could use it as an excuse to get close to the Pretty Boy. She did not want him to be seduced by those vixens!

Just as Yun Chujiu was secretly exploring her imagination, Di Beiming’s flying spirit tool landed.

As soon as Di Beiming got off the flying spirit tool, everyone in the square immediately greeted him, “Greetings, Your Excellency!”

Di Beiming waved his hand and gestured for everyone to stop greeting him. Although the Hall of Longevity had not unified the Tianyuan continent, the Hall of Longevity was still highly respected. Di Beiming's had a high standing in everyone's hearts.

"Oh my God! Your Excellency has become even more charming! Quick, help me up, I can't take it anymore, I'm going to faint!"

"At first, Your Excellency and young master Wuji's looks were on par, but now it seems Your Excellency is more charming. If only I could be closer to Your Excellency, then I would die of happiness!"

"Your Excellency, it seems like you're looking for someone? You must be looking for one of the three beauties. Looks like he finally has a candidate for his fiancée!"

...

Qin Mingzhu, Baili Yan, and Yin Xinlian thought the same. The three of them looked at each other, their eyes full of ire for each other. The three of them walked towards Di Beiming.

The onlookers quickly made way for the three of them.

"Mingzhu greets you, Your Excellency! It has been a long time. How has Your Excellency been?" Qin Mingzhu was the first to speak.

Yun Chujiu evaluated Qin Mingzhu from amongst the crowd, 'Qin Mingzhu was the only daughter of the sect leader of Fundamental Sect. It was said that she walked a dignified and generous path, and her reputation had always been good. However, she was too shameless. To get close to him, she did not even want to use her surname! Mingzhu? I think it's more like a dead fish's eyeballs!'

Di Beiming hummed lightly but did not say anything.

Yin Xinlian looked at Qin Mingzhu with disdain, then, she bowed, "Xinlian greets your excellency. A few days ago, the Palace Mistress asked Xinlian to help her find a prescription. Xinlian has already found it. Why don't I pass the prescription to Your Excellency now?"

Yun Chujiu pursed her lips, 'This Yin Xinlian was smart. She used the Palace Mistress as an excuse. Once the Pretty Boy took the prescription, she would take the opportunity to tell him some things to take note of. Then, wouldn't she hook up with him? She was shameless!'

Yin Xinlian looked at Di Beiming with anticipation. It was an idea that she thought of last night. As long as there was a chance to get close to Your Excellency, she did not believe that he would not be moved by her. She would definitely become the new Palace Mistress!

Di Beiming said coldly, "Just give the prescription to Shopkeeper Qi. Also, the fragrance on your body is too strong.. Stay away from me!"
