

The Yun Family's Ninth Child is an Imp! Chapter 986

As soon as Di Beiming left, everyone started discussing what had just happened.

"Tsk tsk, Your Excellency's personality is as unique as ever! He doesn't show any mercy at all."

"That's right, Your Excellency was just cold in the past, but now he's actually speaking so sharply. It's really embarrassing for those three."

"Oh right, I didn't expect that Yun Chujiu was really the daughter of the Palace Mistress's old friend. It seems that the Palace Mistress still holds her in high regard! Otherwise, she wouldn't have specially asked Your Excellency to personally deliver the message."

"I reckon that Yun Chujiu's mother might have some dirt on the Palace Mistress, that's why she's so concerned about her."

"No Wonder Yun Chujiu could pick so many Violet Brocade Grass. Perhaps the Palace Mistress gave her something useful to help her, that's why her counterattack was successful."

"Don't tell me that the Palace Mistress wants Yun Chujiu to be Your Excellency's fiancée?"

"Impossible! With His Excellency's status? His fiancée must be of equal status! Besides, His Excellency's expression just now was so contemptuous. If it wasn't for the Palace Mistress forcing him, he probably wouldn't even bother to talk to that trash Yun Chujiu."

"Mm, what you said makes sense. The Palace Mistress often holds banquets, but I've never heard her mention such a person before. I reckon there's no chance."

...

Qin Mingzhu and Baili Yan sized up Yun Chujiu, their hearts filled with disdain. How could a good-for-nothing at the first level of the spirit sect catch His Excellency's Eye?!

However, Yin Xinlian's thoughts were different from the other two. How was the Palace Mistress able to persuade His Excellency with his personality like that? If he was not willing to come, he could have asked someone else to explain things to Yun Chujiu. His Excellency definitely treated this Yun Chujiu differently, although it was not to a certain extent, at least it was not as bad as he treated her. This Yun Chujiu was definitely a scourge and they had to think of a way to get rid of her.

Yun Chujiu heard everyone's discussion and felt that it was more or less as expected. She then heaved a sigh of relief in her heart and said to Shopkeeper Qi, "Shopkeeper Qi, let's go back to the inn. It's time for lunch."

The corner of Shopkeeper Qi's eyes twitched slightly. This Miss Jiu really did not take us seriously. If an ordinary girl could talk to our esteemed lord for a few words, she would be so unhappy that she would faint. Yet this person could still think about lunch!

Those girls were also furious to death. This Yun Chujiu really did not know how lucky she was. She actually still wanted to eat after personally speaking to His Excellency. What a good-for-nothing!

Qin Mingzhu and Baili Yan felt even more contempt in their hearts. How could His Excellency like such a piece of glutton trash? There was no need to worry at all.

Yun Chujiu followed Shopkeeper Qi back to the Long Wind Inn. She had just entered her room when she saw Di Beiming sitting in front of the table waiting for her.

"Prince Charming, didn't you leave? I thought you had really left!" Yun Chujiu eagerly went over.

“I’m here to see you, why would I leave right away?” Di Beiming saw that Yun Chujiu was still the same as before, so he was relieved. He was afraid that Yun Chujiu would act unfamiliar with him when she saw the crazy behavior of those people.

“Tsk tsk, my Prince Charming, I realized that you are really a prince charming in the Tianyuan continent. Those infatuated people all want to give birth to a monkey for you!” Yun Chujiu said sourly.

“Give birth to a monkey? Give birth to what monkey? Do you mean they want me to bear their children?” Although Di Beiming felt that Yun Chujiu was jealous, what was the meaning of giving birth to a monkey?

“Hmph! In any case, it was to covet your beauty. Your performance today was very good. From now on, this is how you will do it. To those shameless little bitches, you will have to use this kind of ruthlessness to sweep them away.” Yun Chujiu thought of how the Three Beauties of Tianyuan Academy were so utterly defeated by Di Beiming until they vomited blood, she felt extremely happy in her heart.
