

## The Yun Family's Ninth Child is an Imp! Chapter 989

Di Beiming's heart skipped a beat. "Little Jiu, don't worry. The next time I visit, I can accompany you out for a stroll."

"Is there really such a treasure that can help you disguise yourself? Others won't be able to find out?" Yun Chujiu said excitedly. A cultivator's spiritual sense was very powerful. A simple disguise could fool people who were not familiar with them. If they were familiar with someone, they would still be able to recognize them.

Di Beiming nodded. "I'll think of a way. I should be able to get it. Wait for my good news."

"Prince Charming, if you can get one, you might as well get two. I want one too!" Yun Chujiu said slyly.

"Okay, I'll try my best." When Di Beiming saw Yun Chujiu trying to please him, the desire in his body stirred again. It was really sweet torture.

After the two of them had breakfast, they were bored for a while. Di Beiming said, "You should prepare for the second round of the test. I'll go home first. I'll come back to see you in a few days."

"Okay! Prince Charming, you must keep yourself clean. If I find out that you've done something wrong, I won't forgive you." Yun Chujiu said fiercely.

Di Beiming curled his lips. "Don't worry, I don't want anyone else but you."

Yun Chujiu felt that her little heart was not listening to her again. Damn it, the Prince Charming had become an upgraded version of her. He had seduced her so much that she did not want him anymore!

"Little Jiu, no matter who provokes you, you can go ahead and teach them a lesson. If you can't handle it, tell me and I'll help you do it."

“Okay, but I’ll try my best to take care of them myself. I’ll use them as practice. If I can’t handle them, I’ll tell you. Hehe.” The feeling of being protected and cherished by others was too damn good, wasn’t it?!

“Keep these concealment talismans. Concealment talismans have limited use in the Azure Mystic Continent, but their full power can be used in the Tian Yuan Continent. Once activated, as long as you don’t cause any spiritual fluctuations, people below the third layer of the spiritual venerable realm won’t be able to find you.” Di Beiming handed Yun Chujiu five concealment talismans.

Yun Chujiu took them and kept them in her storage ring. She said with a smile, “Prince Charming, doesn’t your mother want a beautifying pill? Give this Universal Essence Cleansing Pill to her. Even if it can’t increase the level of her spirit root, it should have a beautifying effect.”

Yun Chujiu took out a Universal Essence Cleansing Pill and handed it to Di Beiming. No matter what, the Palace Mistress was still Prince Charming’s mother, so it was necessary to build a good relationship with her. Besides, no matter what her original intention was, the title of the Palace Mistress’s old friend was still helpful to her.

Di Beiming took the porcelain bottle and put it away. “I will hand it to my mother. Little Jiu, my mother will change her attitude towards you sooner or later. You don’t have to worry too much.”

Yun Chujiu thought to herself, she was worried? What a joke. The one who should be worried should be that old witch. However, she would not be stupid enough to tell the truth. Instead, she pretended to be strong and nodded. “Prince Charming, sincerity is everything. Your mother will be touched by my actions sooner or later.”

Seeing that Yun Chujiu was so sensible, Di Beiming’s heart softened even more. He felt that she was smart, beautiful, strong, and sensible. In short, no matter how he looked at her, she was perfect. He could not wait to be together with her all the time.

Yun Chujiu saw that Di Beiming was obsessed with her “beauty”. She was very proud in her heart. Her words were not for nothing. Indeed, if she wanted to get a man, she had to be good to his family. Her words were not deceptive!
