

The Yun Family's Ninth Child is an Imp! Chapter 990

The two of them continued to flirt for a while before Di Beiming deactivated the concealment talisman and left.

"Tsk tsk, falling in love here is like having an affair. It's really exciting!" Yun Chujiu mumbled and then went downstairs.

Shopkeeper Qi knew of Di Beiming's whereabouts the entire time. When he saw that Di Beiming had stayed in Yun Chujiu's house for an entire night, he was so shocked that he could not close his mouth.

Oh my god!

It seemed that he had really underestimated this little girl!

His Excellency had been so cautious that he had used a concealment talisman to secretly meet this little girl!!!

Shopkeeper Qi recalled how Di Beiming had treated the Three Beauties of Tianyuan Academy yesterday, and then he thought about how Di Beiming had stayed in Yun Chujiu's room for an entire night. Yun Chujiu's status was raised in his heart once again. Regardless of how the Palace Mistress felt about this little girl, with His Excellency's favor, this little girl might really be able to soar to the top. It was better for him to be more polite.

"Miss Jiu, is there anything you need me to do?" asked Shopkeeper Qi's as old face smiled like a flower.

Yun Chujiu found it funny in her heart, but when she thought of what Di Beiming said yesterday, this fellow smiled and said, "Didn't the Palace Mistress say that I should look for you to ask for tuition fees? I need four people's worth, a total of 200,000 upper-grade Spirit Stones."

Shopkeeper Qi's face stiffened. Yesterday, His Excellency was just spouting nonsense. The Palace Mistress had never said such things, but if he did not give it to her, this little girl would definitely hate him. What should he do?

Shopkeeper Qi had an idea, "Miss Jiu, there are still two rounds of tests. After you complete them, I'll give you the Spirit Stones."

Yun Chujiu pouted. "You don't think that I can't pass the test, do you? Aiya, I'm sorry. I will definitely pass the test. I'll leave it with you for now. I'm going out for a walk. Do you need me to bring you some gifts?"

Shopkeeper Qi shook his head like a rattle-drum. He had already discovered part of Yun Chujiu's demonic attributes. Bring him a gift? What a joke, who knows, she might be able to extort him when the time comes!

"Alright, if you don't want anything, then forget it. It's not that I don't want to give it to you, it's that you don't want it yourself!" After Yun Chujiu finished speaking, she called the Feng Ming trio and hopped out of Long Wind Inn.

Shopkeeper Qi wiped the cold sweat on his head. This little girl looked rather lively, why did she make people feel guilty?!

Shopkeeper Qi quickly reported the matter of Yun Chujiu asking for 200,000 high-grade Spirit Stones to the Palace Mistress. The Palace Mistress quickly replied, "Hmph! If she passes, then give it to her!"

Shopkeeper Qi held the sound transmission talisman in his hand and was a little stunned. From the tone of the Palace Mistress, it seemed that she did not think that Yun Chujiu and the others could pass the Tianyuan Academy's Tests? Speaking of which, they were all at the first level of the spirit sect. The first round could be considered to have been passed by accident. Could they even pass the next two rounds?

When the sky turned slightly dark, Yun Chujiu's group of four had just returned. Yun Chujiu walked in while humming a tune. Shopkeeper Qi went up to welcome her. "Miss Jiu, you're back?"

"Yes, Shopkeeper Qi. Although you said that there was no need for me to bring you a gift, I still brought you something. Here, it's a meat bun from Heaven's Scent Restaurant. The taste is very good. Take it and eat it!" Yun Chujiu took out a steamed bun wrapped in oil paper from her storage ring and handed it to Shopkeeper Qi.

Shopkeeper Qi held the wrapped bun and was actually a little touched. It was not that the bun was very hard to get, but this kind of considerate behavior surprised him. No matter what, Miss Jiu was the master and he was the servant. She still thought of him, it made people's hearts warm..
